## What is Fast CAT?

Fast CAT is a timed straight 100-yard dash for dogs. Dogs are held at the start line and the coursing lure is activated prompting the dog to follow chasing it to the finish line and into a catch pen. The course is completely fenced, and dogs are run individually. Dogs are timed when they complete the 100-yard dash. The time is converted to Miles Per Hour (MPH).

FORMULA:  $204.545 / \text{RUN TIME} = \text{MPH}$   
 $\text{MPH} \times \text{HANDICAP} = \text{POINTS (ROUNDED TO NEAREST 0.01)}$

Based on the dog's size at the withers, a handicap is applied, and points are earned:

- 18" or greater = Handicap is 1.0
- 12" up to less than 18" = Handicap is 1.5.
- Below 12" = Handicap is 2.0.

**MPH X HANDICAP = POINTS**

Titles are earned at specific point levels and the highest suffix may appear after the dog's name:

BCAT = 150 points

DCAT = 500 points

FCAT = 1,000 points

FCAT# = Each additional 500 points

Coursing is an athletic activity that can tax a dog's physical strength. Dogs that are overweight and/or out of condition may be at greater risk for injury and exhaustion. The Inspection Committee has the authority to disallow a dog's entry into a event and, in such instances, applicable entry fees will be refunded. Dogs will be examined for lameness before running. Bitches in season, lame and unfit dogs will be excused with entry refunded. **Please do not bring bitches in season not competing to the event.**

### Top 20 by Breed by Year

The AKC Fast CAT website will feature the Top 20 Fastest Dogs by Breed by Year national standings. The standings will be updated as event results are processed at [https://www.apps.akc.org/apps/fastcat\\_ranking](https://www.apps.akc.org/apps/fastcat_ranking)

### **Event Hours**

Grounds will be available at 6:00 AM. It is the responsibility of each entrant to make an effort to be ready when their dog is called to the line. Event will begin promptly at 7:00AM until all runs are completed.

### **Notice To All Exhibitors**

All exhibitors must be responsible for cleaning up after their dogs on the motel, RV and event grounds. Motels require that dogs be crated when unattended. Any damage to motels, RV sites or the event site can result in disciplinary action by the Event Committee. It is expected that exhibitors will clean up immediately after their own dogs and strongly encourage others to do the same. All owners/exhibitors should be aware that the entire motel grounds and RV sites are considered within the event grounds. You will be responsible for all damage to your room/site and may be subject to disciplinary action in accordance with the rules of the AKC. Any abuse of the grounds will be brought to the attention of the event-giving club and its Event Committee. Any exhibitor's entries may be refused for previous misuse of the motel or RV facilities. This is an AKC supported measure.
